

# SOUTH SUDAN : Humanitarian Snapshot (as of 10 Sep 2015)

Over the past month, insecurity and lack of access to vital supplies have continued to force South Sudanese to flee in search of safety, assistance and protection. In August there was increased displacement from Unity and Upper Nile states due to fighting in and around Koch, Leer and Mayendit counties in Unity and Wau Shilluk in Upper Nile. Nearly 78,000 displaced people are now sheltering in Nyal, Panyijiar County, southern Unity, including about 18,000 who arrived in the past two weeks .
